

RESILIENCY AND EMPOWERMENT PARTNER

Saint Louise House provides long-term supportive housing to mothers with children overcoming homelessness in Central Texas. With a deep belief in the power of women to transform their lives, their families and our community, the Resiliency and Empowerment Partner supports families to reach their individual goals and increase self-sufficiency and independence. We are currently seeking an experienced full-time Resiliency and Empowerment Partner to join our team.

Position Description:

The Resiliency and Empowerment Partner is responsible for partnering with program participants to help them achieve short term and long term goals using solution-focused, strengths based case management services and by developing and facilitating trauma-informed and culturally responsive groups, workshops, and other programming. The Resiliency and Empowerment Partner facilitates a close and collaborative working relationship with the mothers in our program to help them access services and opportunities, move towards their goals, strengthen family relationships, and achieve self-sufficiency.

- Works with program participants to complete assessments, set goals, identify strengths and resources, and develop and implement weekly and long-term service plans
- Provides weekly clinical case management services to an assigned caseload of program participants
- Utilizes clinical knowledge to implement a solution-focused/strengths based theoretical framework in all settings, language, and documentation
- Works with the entire Program Staff to innovate, develop, implement, and facilitate psychoeducational and support groups for adults
- Collaborates with Family Services Specialist to provide services to families including psychoeducational and recreational groups to teens and children
- Provides crisis counseling as needed
- Engages program participants in community building efforts and solicits feedback from families to inform program development
- Provides life skills training as required by the program and the program participant's long-term service plan
- Makes appropriate referrals and assists program participants in accessing community resources
- Maintains all procedural and documentation standards as established
- Supports Saint Louise House in achieving mission by helping field admissions calls and referring potential applicants to appropriate resources as needed
- Other duties as assigned

Qualifications:

Master's Degree in Social Work, Counseling or related field preferred; Bachelor's Degree in Social Work, Counseling or related field required
