

From Your House to Ours!

Tips for coordinating our group opportunities remotely

How to coordinate sponsoring backpacks remotely:

Set up an Amazon wish list with the student's school supply lists.

Share the wish lists with your organization so that individuals can purchase items to be sent directly to the person who will assemble and deliver backpacks to Saint Louise House.

Consider dividing people into teams to be responsible for one or two backpacks, so that the assembler doesn't become overwhelmed

Remember, our drop off procedures will be contactless!

Another idea..

- Suggest interested individuals take on sponsorship individually
- In this case, individuals should coordinate with Taylor directly.

Host a gift card drive:

\$25 Old Navy gift cards for children to go back to school confidently in fresh clothes that fit.

\$15 HEB or Walmart gift cards for any additional school supplies that a student might need.

Gift cards may be sent to:

Saint Louise House
P.O. Box 150637
Austin, TX 78715

Host a virtual in-kind drive

Connect with Taylor to identify needed items. She will put together a special Amazon wish list just for your group to shop on. The products will be delivered directly to Saint Louise House.
