

Gift Card Drive for Families

Saint Louise House provides housing and wraparound support for women-led families experiencing homelessness, helping mothers and children build stable, independent futures.

Each holiday season, we collect gift cards to help families celebrate together and to sustain support for the year ahead. These cards make it possible for families to enjoy special meals and gifts during the holidays — and later, they help when a mom faces illness, a financial emergency, or other challenges throughout the year.

By stocking up in November and December, we ensure that every family can access gift cards as needs arise across the next calendar year.

Primary Gift Card Options

- HEB or Walmart cards only
- Preferred amounts: \$25 or \$50 (please avoid other denominations)
- These are used for holiday gifts and year-round for essentials and emergencies.

Family Fun Gift Cards (Optional)

- We also welcome gift cards that bring families together — such as AMC Theatres, bowling, or other family experiences.
- For equity purposes, we must collect a full set of 50 cards at the same value (e.g., \$20 each) before distributing.
