

# Host a Holiday Party that Gives Back!

**Make your holiday gathering more meaningful by dedicating it to families working to build safe, stable homes.**

Saint Louise House is a primarily privately-funded organization, and our end-of-year giving season is vital to sustaining this work. Your celebration can help us finish the year strong.

## **1 Plan your event.**

Host any kind of gathering: holiday party, open house, or tailgate, and choose to make Saint Louise House part of your celebration.

## **2 Reach out to us.**

We'll help you create a simple giving plan and provide materials to share our mission with your guests.

## **3 Share the impact.**

We can design a custom flyer, QR code sign, and a simple giving page to make donating easy.

## **4 Celebrate and give!**

Enjoy your event knowing your celebration helps mothers and children move from homelessness to stability.
